Jesse Richard, Founder of TvNewsLIES.org, sets the record straight about the proposed whitewash of crimes committed by the Bush administration, also known as the Truth Commission.

Are you glad that Senator Patrick Leahy is going to try to create a commission to "investigate" the crimes of the Bush administration? Well...don't celebrate yet. Listen and learn...the commission is nothing more than a whitewash. Nobody will be held accountable and the criminals will once again get away with a multitude of crimes.
