

## Bush & Bin Laden Kindred Spirits

I am at war against the enemy  
All who oppose me are evil  
I will have others fight and die in my war  
It matters not that many civilians will die as  
a result of my war  
My actions are directed by God  
My God is the real God  
Working out our differences in a  
non-violent matter is not an option  
I will take vengeance against nations that  
do not support my war  
There is only one way in life and that way is  
my way  
I will gain support for my war by making  
people fear my enemy  
I will convince the people that it is  
honorable to die for my cause.  
The law of the land matters not to me  
**I am the enemy and my followers don't  
seem to understand this**

These are frightening similarities that the corporate media have ignored, and have failed to present to the public.

As the media continues to distort and omit, and refuses to investigate or connect the vital dots, TvNewsLies will relentlessly focus on the relevant, the crucial, and - as in this case - the obvious.
