

THE
9/11
COMMISSION
REPORT

Similarly, a high-level military intelligence officer says that his unit – tasked with tracking Bin Laden prior to 9/11 – was pulled off the task, and there warnings that the World Trade Center and Pentagon were being targeted were ignored.

Moreover, he says that he has information that can shed light on 9/11, and that he has repeatedly tried to get this information to the Obama administration and Congress, but that no one in the administration or Congress wants to hear about it. As just one example, Nancy Pelosi's office demanded that he not even email any information which he has about 9/11.

He is still working in military intelligence, and so he can only publicly speak about 9/11 if he is subpoenaed. He is therefore asking that he be subpoenaed ... but no one wants to look into it:
