

"I postulated that the real culprit of the 9/11 and Anthrax attacks - who engineered it all - was Thomas E. (Enron) White, the former co-Chair of 'Enron, who subsequently became Army Secretary. His dominate motive, was cover his, and others, ass and assets. Was there a massive cover up? White, who was co-Chair, again, of Enron, was never indicated. Recently, we are led to believe that Bruce Ivins was behind the Anthrax attacks, who worked out of the ARMY's Fort Detrick biological center. I wondered if there besides that was any direct connection between Dr. Ivins and Tom White."
