

The human race cannot continue to go forth, multiply and take dominion over the earth. Why? Simple: we're killing the earth with too many humans! We overload the planet's ability to feed, water and sustain us.

Why can't the Pope get that into his understanding? Why can't he add $2+2=4$? Why continue doctrines clearly out of step with reality in the 21st century. Why promote 5,6,7, 8, 9 and more kids when more than 10 million children under the age of 12 die of starvation or starvation related diseases around the planet annually? (Source: World Health Organization) Do the Pope's doctrines on prohibiting birth control and then prohibiting pro-choice make any sense? How about nonsense!
