

Whose mass graves are these?

Wednesday, 16 April 2008 11:43 -

The phrase "mass graves" in Iraq has long been associated with former leader Saddam Hussein. But not anymore. In U.S.-administered and occupied Iraq people now talk of 'Bush's mass graves.'

More and more **mass graves** are being unearthed with hundreds of bodies, most of them unidentified, but all of them dug in the post-Saddam era which Iraqis **associate with President Bush** and his occupation troops.
